

TALKING ABOUT WEATHER & SEASONS

B1 | Adults | Conversation Prompts | 45-60 minutes
Topic: Everyday English | Skills: Speaking | Grammar: General

Talk with a partner. Give reasons and examples. Ask follow-up questions when you can.

1. What kind of weather do you enjoy most?	2. Which season is your favourite? Why?
3. Do you check the weather forecast every day?	4. How does the weather affect your plans?
5. What do you like doing on a very hot day?	6. What is a good way to spend a cold evening?
7. Do you enjoy being outside in light rain?	8. What clothes do you wear in your favourite season?
9. Has bad weather ever changed a plan you made?	10. What do visitors need to know about the weather where you live?
11. Would you rather have warm winters or cool summers?	12. What sounds or smells remind you of a particular season?
13. Do you prefer long summer evenings or early winter nights?	14. Which season is best for visiting your area?
15. What food or drink do you connect with a season?	16. Why do people often talk about the weather?
17. Would you enjoy living somewhere with the same weather all year?	18. How can a town make hot days more comfortable for people?
19. What would you pack for a trip with unpredictable weather?	20. If tomorrow had perfect weather, what would you do?
