

TALKING ABOUT GETTING AROUND

B1 | Adults | Conversation Prompts | 45-60 minutes
Topic: Travel | Skills: Speaking | Grammar: General

Talk with a partner. Give reasons and examples. Ask follow-up questions when you can.

1. How do you usually travel around your area?	2. Do you prefer walking, cycling or taking public transport?
3. What makes a journey comfortable?	4. Is it easy to get around where you live without a car?
5. What do you usually do during a bus or train journey?	6. Do you prefer travelling early or later in the day?
7. Have you ever got lost on a journey?	8. Do you use a map or ask people for directions?
9. What makes a station or bus stop easy to use?	10. Would you rather have a faster journey or a cheaper journey?
11. What can make cycling more appealing?	12. Do you enjoy walking somewhere instead of taking transport?
13. How can passengers be considerate towards one another?	14. What could make a long wait at a station more pleasant?
15. Should busy town centres have fewer cars?	16. What transport advice would you give a visitor to your area?
17. Would you use a shared bicycle if one was available?	18. How can public transport be easier for people with luggage?
19. What would you improve about transport where you live?	20. If you could design a new form of transport, what would it be like?
