

MIXED CONDITIONAL: ANSWER THE QUESTIONS

B2 | Speaking and writing practice | 20-30 minutes

Name: _____

Date: _____

Answer each question using the mixed conditional. Write a complete sentence.

1 How would your life be different now if you had chosen another career?

2 What language would you speak now if you had studied it as a child?

3 Where would you live now if you had moved abroad five years ago?

4 What skill would you have now if you had taken lessons when you were younger?

5 How would your health be different if you had exercised more last year?

6 What would you know more about if you had studied it at school?

7 Who would you still see if you had stayed in your hometown?

8 What job would you have now if you had studied a different subject?

9 How would today be different if you had made another decision yesterday?

10 What would you own now if you had saved more money?

MIXED CONDITIONAL: ANSWER THE QUESTIONS

B2 | Suggested answers

Suggested answers — students' own answers will vary.

1 If I had chosen another career, I would live in a different city now.

2 If I had studied Spanish as a child, I would speak it well now.

3 If I had moved abroad, I would live in Canada now.

4 If I had taken music lessons, I would play the piano now.

5 If I had exercised more, I would be fitter now.

6 If I had studied art, I would know more about painting now.

7 If I had stayed in my hometown, I would still see my school friends.

8 If I had studied engineering, I would be an engineer now.

9 If I had gone to bed earlier, I would not be tired today.

10 If I had saved more money, I would own a car now.
