

ADDING A POINT

A2-B1 | Conversation practice examples for adding another idea

Conversation: Choosing a place for lunch

Ella	Shall we try the cafe opposite the library? I've never been there.
Ben	I've been twice. The sandwiches are good. Also , they make fresh soup every day.
Ella	That sounds nice, but I've only got half an hour before class.
Ben	We'll have time. Plus , it's only a five-minute walk from here.
Ella	All right. Does it have somewhere quiet to sit? I need to finish reading this.
Ben	Yes, there's a room upstairs. Another thing is that students get a discount.
Ella	Then let's go there. I'll bring my student card.
Ben	Good idea. Don't forget your book - it's still on the desk.

Conversation: Getting ready for a class picnic

Lily	I've bought bread and cheese for tomorrow. Is there anything else we need?
Sam	Some fruit would be nice. And we need something to drink.
Lily	I'll get apples and a few bottles of juice on my way home.
Sam	Thanks. One more thing : can you bring your picnic blanket?
Lily	Of course. Do we need cups, or is everyone bringing a bottle?
Sam	Let's take some cups. It's important to bring a bag for our rubbish, too.
Lily	I've got one in my kitchen. I'll put it with the blanket.
Sam	Great. I'll message the others so they know what we're bringing.
