

FUTURE ARRANGEMENTS

A2 | Teens / Adults | Grammar Question Practice | 20-30 minutes

Talk about future plans with agreed times, places or people.

1. GET STARTED

Take turns asking and answering. Add a detail, then ask a follow-up question.

A: Are you **doing** anything on Friday evening?

B: Yes, I'm **meeting** Jo at the cinema at seven. We've got tickets.

A: Nice! What **are** you **seeing**?

2. YOUR DIARY

1. Are you **meeting** anyone after class today?
2. What **are** you **doing** tomorrow evening?
3. Are you **going** anywhere this weekend?
4. When **are** you next **seeing** a friend or family member?
5. Are you **working** or **studying** on Saturday?
6. What **are** you **doing** for your next birthday?

Keep talking: What time? / Where are you meeting?

3. CHECK THE DETAILS

Choose a real arrangement, or imagine one with a time, place and another person.

7. Who **are** you **meeting**?
8. Where **are** you **meeting** them?
9. What time **are** you **leaving** home?
10. How **are** you **getting** there?

4. ARRANGE A MEETING

Arrange to meet your partner this weekend. Agree on a time, place and activity.

Then check the details and tell another pair what you've arranged.

Example: We're **meeting** at the station at ten. We're **visiting** the museum.

Answer help: I'm meeting ... at ... / We're leaving ... / I'm not working ...

Remember: future arrangements need a future time or a clear future context.
