

PREPOSITIONS OF MOVEMENT

A2 | Teens / Adults | Grammar Question Practice | 20-30 minutes

Describe routes and how people move from place to place.

1. GET STARTED

Take turns asking and answering. Add a detail, then ask a follow-up question.

A: How do I get to the park from here?

B: Walk **along** this street, then go **across** the bridge.

A: OK. Is the entrance just **past** the bridge?

2. ROUTES YOU KNOW

1. What streets do you walk **along** near your home?
2. Do you cross a bridge on your way to work or school?
3. Do you go **through** a park on any regular journey?
4. What do you walk **past** on your way to a shop?
5. Do you go **up** or **down** stairs every day?
6. Where do you go when you walk **out of** your home?

Keep talking: What do you pass next? / Which way?

3. DESCRIBE THE MOVEMENT

Describe a route using across, along, through, past, into or out of.

7. How do you get from this room to the building's exit?
8. How do you get from your home to the nearest shop?
9. How do people move from a street to the inside of a cafe?
10. How can you get from one side of a road to the other safely?

4. GIVE A ROUTE

Draw a simple map with a road, a bridge, a park and a cafe.

Give your partner directions from the bridge to the cafe. Then swap roles.

Example: Go **across** the bridge, walk **along** the road and go **through** the park.

Answer help: Walk along ... / Go across ... / Go into ... / Come out of ...

Remember: across = from one side to the other; through = inside and out again.
