

FUTURE TIME CLAUSES

B1 | Teens / Adults | Grammar Question Practice | 20-30 minutes

Explain future actions and when they will happen.

1. GET STARTED

Take turns asking and answering. Give details and ask a follow-up. You can invent personal details.

A: Shall we book a table now?

B: I'll call the restaurant **when** everyone **confirms** they're coming.

A: Good idea. **Before** you **book**, I'll **check** whether Mia can join us.

2. BEFORE AND AFTER

1. What **will you do when** this lesson **finishes**?
2. What **will you do before** you **go** to bed tonight?
3. What **will you do after** you **get** home today?
4. Who **will you contact when** you **have** some good news?
5. What **will you check before** you **book** your next trip?
6. What **will you do as soon as** you **have** some free time?

Keep talking: And after that? / What will you do first? / How long will you wait?

3. WAITING AND SEQUENCING

Explain the order of your future actions. Use present forms after the time words.

7. **Will you wait until** the weather **improves** before going out? Why?
8. What **will you do while** your next meal **cooks**?
9. How **will you celebrate once** you **finish** an important task?
10. What **will you prepare before** your next visitor **arrives**?

4. GET READY FOR A VISIT

Plan a visit from a friend. Explain what you'll do before they arrive and when they're here.

Agree on one thing that can wait until later. Ask about the order of the plans.

Example: I'll **buy** food **before** Jo **arrives**. We'll **eat when** she **gets** here.

Use at least three different time words.

Answer help: I'll ... when / before / after / as soon as ... / I'll wait until ...

Remember: In a future time clause, use when she arrives, not when she will arrive.
