

SECOND CONDITIONAL

B1 | Teens / Adults | Grammar Question Practice | 20-30 minutes

Imagine different situations and explain your choices.

1. GET STARTED

Take turns asking and answering. Give details and ask a follow-up. You can invent personal details.

A: If you **had** a free year, what **would you do**?

B: I'd **travel** slowly. If I **weren't** in a hurry, I'd **take** trains instead of flying.

A: Where **would you go** first?

2. IMAGINE A CHANGE

1. If you **had** one extra free day each week, how **would you use** it?
2. Where **would you live** if you **could choose** any place? Why?
3. If you **could learn** one skill instantly, what **would you choose**?
4. What **would you change** if you **were** in charge of your town?
5. If your phone **stopped** working for a week, how **would you manage**?
6. What job **would you try** if you **didn't need** to worry about money?

Keep talking: Why would you choose that? / What would happen next? / Would there be a problem?

3. WHAT WOULD YOU DO?

Imagine each situation. Explain your decision and one possible consequence.

7. If you **found** a wallet in the street, what **would you do**?
8. If a friend **asked** to borrow something valuable, **would you agree**?
9. How **would you feel** if you **had to move** to a new country?
10. If you **could change** one everyday rule, what **would it be**?

4. DESIGN A BETTER PLACE

Imagine you can redesign a classroom, workplace or neighbourhood.

Choose three changes and explain what would improve if you made them.

Example: If we **had** more trees, the street **would feel** cooler in summer.

Your partner questions one idea. Agree on your best change.

Answer help: If I **had** / **were** / **could** ..., I'd ... / It would ... because ...

Remember: The past form describes an imagined situation, not a finished past event.
