

SO / SUCH / TOO / ENOUGH

B1 | Teens / Adults | Grammar Question Practice | 20-30 minutes

Describe degree, consequences and whether something meets a need.

1. GET STARTED

Take turns asking and answering. Give details and ask a follow-up. You can invent personal details.

A: How was the new restaurant?

B: It was **such a noisy place**. The music was **too loud** to have a proper conversation.

A: That's a shame. Was the food **good enough** to make up for it?

2. EXPERIENCES AND REACTIONS

1. Have you seen a film that was **so good** you wanted to watch it again?
2. When did you last have **such a busy day** that you needed a quiet evening?
3. What activity is **too expensive** for you to do regularly?
4. Do you have **enough time** for your hobbies at the moment?
5. Is your home or room **quiet enough** for studying? Explain.
6. Have you eaten something that was **too spicy** or **too sweet** for you?

Keep talking: So what happened? / Enough for what? / What would make it better?

3. DOES IT MEET YOUR NEEDS?

Explain the consequence or the purpose. Too means more than you want, not just very.

7. What place is **so relaxing that** you could spend hours there?
8. When is a bag **too heavy** for you to carry comfortably?
9. Have you ever had **such a good teacher** that you enjoyed every lesson?
10. What service **isn't good enough** for your needs? How could it improve?

4. CHOOSE A SUITABLE VENUE

Choose a place for a class outing or a meal with friends. Compare two real or invented options.

Explain what's too expensive, what's good enough and what makes an option so appealing.

Example: It's **such a nice cafe**, but it's **too small**. The hall is **big enough**.

Agree on a choice and explain any compromise.

Answer help: So + adjective; such + (a/an) + noun phrase; too + adjective.

Remember: Adjective + enough, but enough + noun: warm enough / enough time.
