

ROLL AND COMPARE

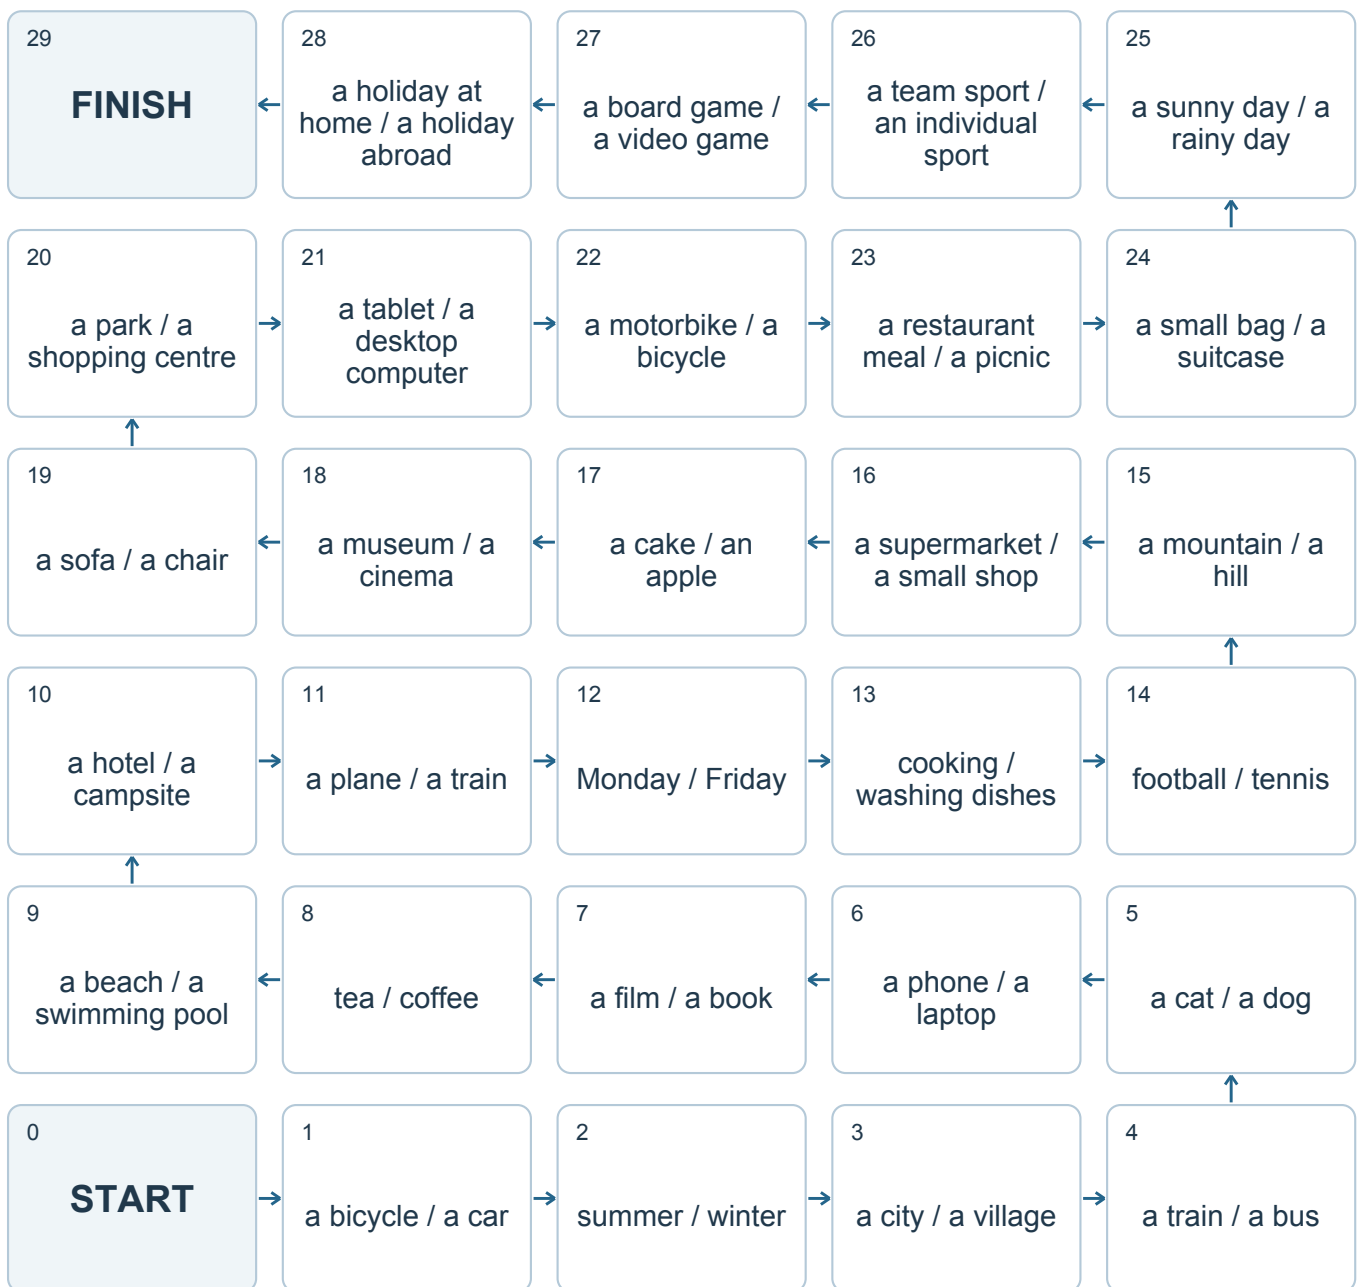

A2 - COMPARE TWO THINGS

2-4 players | One die and a counter each | 15-20 minutes

1. Put your counters on START. Take turns rolling the die and following the arrows.
2. Compare the two things in a complete sentence using a comparative.
3. Other players check. If incorrect, return to where you started that turn.
4. First to FINISH wins. You do not need an exact roll to finish.

Example: a horse / a mouse → "A horse is bigger than a mouse."

Choose your own adjective. Use a comparative + **than**. Give a new answer each turn.
